Karwar, 21-11-1961.

To

The Secretary to Government,
Agriculture & Forests Department, BANGALORE

Sir,

Subject: Lands: Kanara..
F.S.Nos.. Disforestment of..for Rehabilitation of flood affected persons..

In submitting herewith 7 files regarding disforestment of certain forest lands in seven different villages in Honavar Taluka for rehabilitation of flood affected persons, I have to state as under:-

The Assistant Commissioner & Special Officer for Rehabilitation, Kumta has in this case submitted proposals for disforestment of the areas shown below for disforestment and lay out of plots for rehabilitating the flood affected persons of the villages in Honavar Taluka :-

S.No.	Village	F.S.No.	Area proposed for disforestment	
1	Magod	78 A1A	6- 0-0	
2	Kelgin-Idgunji..	96 A	32- 0-0	
3	Kodani	62A1A	8-20-0	
4	Herangadi	277 A	21- 0-0	
5	-do-	204A/2A	6- 0-0	
6	Jalwalkarki	90 -A	7- 0-0	
7	Melin-Idgunji	165	9-31-0	=19- 0-0
		169 A	9- 9-0	
			99-20-0	

"A"

The areas selected have been approved by the District Health Officer, Kanara from sanitary point of view (Vide sketches enclosed in each file). The D.F.O. S.D. Honavar has also no objection to release the area from forestry point of view. The area proposed for disforestment in the above cases is in excess of 5-0-0 acres. According to the orders contained in G.R.No.A & F.D.No. FDM-1054 of 20-4-1955 of the Erstwhile Bombay Government, the DeputyCommissioner is competent to order disforestment of the area to the extent of 5 acres only. The papers are therefore submitted herewith to Government for passing orders of disforestment.

I would therefore, request you kindly to obtain early orders of Government according sanction to the disforestment of the areas as proposed above at an early date.

Yours faithfully,

T.S.Narayanarao

Deputy Commissioner Kanara.

Letter.

Subject:-Lay out of Plots for sufferers of Floods and heavy Rains.

No.PCF/GPI/371/40 of 1961-62;
Honavar, 2nd September, 1961.

To,

The Deputy Commissioner,
Kanara Karwar.

Ref:-Tahsildar Honavar's Nos. LND/SR/32 to 34,36 and 37 of 16-8-1961 and 40 to 42 dated 21-8-1961.

2. In enclosing herewith 8 References (page Nos. 1 to 102) received from the Tahsildar Honavar proposing Forest areas for providing house building plots to the persons who were affected by recent floods, I have to offer my remarks as under:-

1)The following areas have been proposed in the villages in Honavar Taluk by the Tahsildar as detailed below.

Taluka.	Village	P.S.No.	Area proposed. Acres.	Gunthas.
Honavar.	Herangadi	277A	21	0
		204	6	0
			27 -	0
Honavar.	Jalwalli-Karki	90A	7 -	0
Honavar.	Kolgin-Idgunji.	96A	32 -	0

Enquiry made in this connection reveals that the areas selected contain no treegrowth except small thorny bushes. These areas are reported to be quite suitable for the grant to the sufferers being at the safer place and these are also reported to be adjacent to malki and cultivated areas. Hence there is no objection to diseforest the areas in question as proposed by the Tahsildar Honavar.

2)An area of 6 acres has been selected in P.S.No.78A1 of Kaged village. Enquiry made in this connection reveals that the area proposed contain 55 trees out of which 42 are cashewnut trees and the remaining trees of Jungle wood species. It is reported by the Range Forest Officer that there is no other suitable areas round about the vicinity and the area now selected is in the middle of the village and at higher level. Hence there is no other alternative but to recommend this area for grant in the interest of the public though it contains 42 fruit yielding (cashew) trees which have naturally grown.

3)An area of 8 acres 20 gunthas has been proposed for grant to sufferers out of P.S.No.62A1A of Kodani. On enquiry it is learnt that the area proposed for the grant contains 19 cashewnut trees which have naturally grown. This area is reported to be in the middle of the village and ~~to be~~ quite suitable for granting to the flood affected persons for construction of houses being situated at a higher place. Hence there is no objection to diseforest this area.

4) The following areas have been proposed for disforest-ment in the Kolin-Idgunji village.

F.S.No.	Area proposed. A- Gs.
165	9- 31
169	9- 9
	19- 0

Enquiry made in this connection reveals that the area proposed contain more than 400 trees of Khair, Kasaga and Kurudanandi. This area is reported to be quite suitable for construction of houses for the flood affected persons as it is on a higher level. It is reported by the R.F.O., that there is no other suitable and blank area nearby in the village. Hence there is no objection to disforest this area for laying out plots for the distribution to the flood affected persons in order to implement the policy laid down by the Govt.

LND 5/4/58-388

5) In case of Jalavalli F.S.No.293A an area of 16 acres has been proposed for laying out plots for distribution to the sufferers. In this connection, I may point out here that an area of 8.50 acres has already been granted on Samud and an area of about 4.00 has been proposed for the Village Panchayat which has already erected the Panchayat office building and Community Hall. It is reported by the Range Forest Officer that the Panchayat is also considering the question of construction of a School building in which case more area will be required by the Panchayat for the purpose. Hence there will be no sufficient land available in this area for the grant of to the sufferers. Hence instead of this area, the Range Forest Officer has proposed the adjoining area in the same F.S.No. as shown in the sketches at pages 59 and 61. This area now proposed by the R.F.O. contains a few thorny bushes only and also the same is suitable for the purpose.
